Re: "The Map Ahead"

September 13, 2011

The Multi-service Eating Disorders Association (MEDA) would like to congratulate F.E.A.S.T. on their upcoming symposium, "The Map Ahead," the first international conference organized by parents.

At MEDA we believe that eating disorders are illnesses that often can affect the entire family system. We are proud to support an event that educates and brings awareness of the power of family in the recovery process.

We look forward to future conferences from F.E.A.S.T.

Sincerely,
Kristin Tyman, MPH
